Kids Have Great Taste

Bay Area Green Business

Kent Middle School Parents,

SchoolFoodies is pleased to begin our standard lunch program on campus this coming Monday, March 29th. Register now to get your orders placed!

Our popular meals offer key benefits for growing kids:

- We feature all natural, hormone and antibiotic free meats
- We follow the EWG's Shopper's Guide to Pesticides methodology to reduce potential produce pesticide exposures up to 92%
- Breads are sourced fresh from local bakeries
- Dairy comes from Petaluma based Clover Stornetta and is rBST free
- Many meals are cooked from scratch with ingredients from local purveyors, organic when possible
- Our meal trays are made from compressed wheat straw fiber and certified compostable

In response to the pandemic, we have implemented the below policies:

- All SchoolFoodies employees, including our delivery drivers, wear PPE throughout the day, including gloves and face masks
- Meals are served in sealed certified compostable containers
- All transportation warmers and bins are sanitized prior to daily deliveries
- Our entire facility, equipment and work surfaces are sanitized daily
- We have a strict policy that no one is allowed in our facility with cold or flu like symptoms
