

## KSPTA TEACHER AND STAFF MEMBERSHIP FORM

Kentfield Schools PTA invites our teachers and staff to join the KSPTA. We value your membership and appreciate your help with KSPTA's efforts to contribute to our school community.

KSPTA organizes parent volunteers for school programs and events, provides teachers with stipends for classroom supplies, organizes lunch programs at both Bacich and Kent, develops and funds Parent Education programs, hosts our annual Book Fair, Craft Fair and so much more. Your annual membership dues of **\$15 per person** show your support for the PTA's efforts. Please join us in making this year a success!

Membership may be purchased online at [www.kspta.org](http://www.kspta.org), or by completing and returning this form, with your check made payable to KSPTA, to the school office. We also encourage membership for your family members (grandparents, partner/spouse, kids may all become members – please specify how many would like to join).
