

2016 KSPTA Book Fair Author Visit Series

Presented by
Books Inc. & Bacich Elementary

Friday, October 28th

Maggie Tokuda-Hall

It begins with an octopus who plays the ukulele. Since this is a story, the octopus has to want something—maybe to travel to faraway galaxies in a totally awesome purple spaceship. Then the octopus sets out to build a spaceship out of soda cans, glue, umbrellas, glitter, and waffles. OK, maybe the octopus needs some help, like from an adorable bunny friend, and maybe that bunny turns out to be...a rocket scientist? (Probably not.) But could something even more amazing come to pass? Debut author & former Books Inc. bookseller, Maggie Tokuda-Hall, with the help of illustrator Benji Davies, sets up an endearingly funny story, then hands the baton to readers, who will be more than primed to take it away.
